

さ さ さ さ さ さ さ さ さ さ

A handwriting practice sheet for the Japanese character 'や'. The sheet is organized into a grid of 16 horizontal rows and 10 vertical columns. Each individual cell within the grid contains a large, faint, light-gray outline of the character 'や', designed to be traced over. The grid lines are thin black lines on a white background, providing a clear guide for letter placement and size.

A handwriting practice sheet for the Japanese character 'や'. The sheet is organized into a grid of 16 horizontal rows and 8 vertical columns. Each individual cell within the grid contains a large, light-gray outline of the character 'や' for tracing practice. The grid is intended to facilitate the repetitive practice of the character's form and placement.

A handwriting practice sheet for the Japanese character 'や'. The sheet is organized into a grid of horizontal rows. Each row contains multiple instances of the character 'や' for tracing. The first few rows show the full character 'や' for tracing. Subsequent rows show only the right side of the character 'や' to focus on stroke order. The grid consists of light gray dashed lines on a white background.
